

THE COMPUTER LABORATORY, CAMBRIDGE

SEMINAR

The last seminar of the term will be held on Wednesday
2nd December at 16.15 in the Research Students Room (room 301).

Speaker: H.U. Lemke

Subject: The Rainbow System.

After outlining briefly the problems encountered in the design of a CAD system the talk will concentrate on the description of the RAINBOW and PIXIE systems. A case study in syntax analysis and control systems design will be done in order to demonstrate the use of the RAINBOW system. It is also planned to show a film featuring PIXIE.

All interested are welcome to attend.
